

Waimea West Cemetery Information Sheet

Cemetery Management

The management of the Waimea West cemetery was transferred from Marsden House Funeral Home to Our Lady of the Bays Catholic Parish in late 2020. Cemetery records held by Marsden House are now held in the parish office. Copies of these records are also held by Waimea West Cemetery Committee members, Terry Westbury, Mary Ellen O'Connor, and Graeme Taylor. Cemetery related inquiries can be made to any of these people or the parish office.

To pre-purchase a burial or ashes plot.
